

DONOR DIRECTIVE

Vine Congregational United Church of Christ Foundation

The Vine Congregational UCC Foundation (“Foundation”) exists, broadly, to receive, hold and invest gifts and bequests from individuals who wish to financially support the long-term ministries of Vine Congregational UCC Church (“Vine Church”). Generally, donations to Vine Foundation are expected to be used over a longer period of time than donations to Vine Church memorial funds. The Donor Directive will ensure that memorial funds will be deposited in a Vine Foundation account regardless of the payee on the check. Absent a Donor Directive, memorial funds will be deposited in a Vine Foundation account only if the payee listed on the memorial check is Vine Church Foundation or if there is knowledge that the donor intended that his or her memorial funds be designated for the Vine Foundation.

To clarify my intentions, I, _____, *(insert name)* hereby request that all funds from my memorials to Vine be deposited in a Vine Foundation Account. I would like such funds to be deposited in the following Foundation account: *(check fund below)*

- Capital Needs Fund**—provides financial support for repairs and expansion of the physical church building and grounds.
- General Endowment Fund**—provides financial support for Vine Church, including mission projects, development of clergy and lay leadership and other programs.
- Margaret Myers Fund**—provides income to Vine Church to be used as directed by the Vine Council.
- Rasche Myers Outreach Fund**—provides financial support to organizations and/or programs in Lincoln other than at Vine Church.
- Youth Fund**—provides financial support to the youth ministry of Vine Church.
- Music Fund**—provides financial support to the music ministry of Vine Church.

If a fund is not designated above, then the donations will be placed in the General Endowment Fund.
